

CPS MINIMUM HIGH SCHOOL GRADUATION REQUIREMENTS

The following requirements were written with the intention of preparing our students for success in a variety of experiences after high school. While these requirements align to the entrance requirements for the state universities of Illinois, they were also written to prepare students for a variety of careers right out of high school. There is great flexibility in the exact courses that schools offer and students take to meet these requirements. To see how all courses in CPS' High School Course Catalog align to the graduation requirements below, please visit: cps.edu/academics/high-school-course-catalog/.

REQUIREMENT	DESCRIPTION OF REQUIREMENT	ENTERED 9TH GRADE IN				
		SY 17-18	SY 18-19	SY 19-20	SY 20-21	SY 21-22

*Note: Please review CPS' Minimum HS Graduation Requirements policy for in-depth details. **Per CPS Physical Education Policy, all high school students shall be scheduled in a physical education course each semester in every grade level (9-12) except when an exception has been authorized.

ENGLISH LEARNER — An English Learner (EL), will take English as a Second Language (ESL) taught by an ELA- and ESL-endorsed teacher and all core content courses are aligned to academic standards and taught by an ESL and/or bilingual-endorsed teacher, according to the EL-program eligibility. Please note that ESL I, II, III and Transition English I-IV (not ESL Communication) courses count toward the four years of English required for graduation. When those courses are taught as a double-period, only one of the credits will count toward the English requirement and the other one will count as an elective. The English Literacy Proficiency Level (LitPL), based on the most recent screener or ACCESS assessment, will determine placement in the ESL course sequence. ELs enrolled in a Transitional Bilingual Education (TBE) program, also receive native language or sheltered English instruction in core content courses, as appropriate. ELs in a Transitional Program of Instruction (TPI) receive sheltered English instruction in all core content courses, as appropriate.

DIVERSE LEARNER — Diverse Learners receiving special education and related services under an Individualized Education Program (IEP) are expected to graduate with a regular diploma unless they reach 22 years of age without fulfilling graduation requirements. Diverse Learners are expected to meet the same graduation requirements as their non-disabled peers unless the IEP modifies the graduation requirements in whole or in part. For questions regarding graduation for Diverse Learners, please call the Office of Diverse Learner Supports and Services at (773) 553-1800.

SAMPLE COURSE OF STUDY — The course of study below lists sample high school courses taken during each grade level. The graduation requirements satisfied during each grade level are also listed. The actual courses taken and graduation requirements satisfied annually may differ as this depends on: 1) the courses offered at each school and 2) each student's particular goals and interests. Parents and students are encouraged to review CPS' High School Course Catalog at: cps.edu/academics/high-school-course-catalog/ and consult with the school's guidance department to select courses that support their long-term goals. Further information can also be found online at cps.edu/academics/.

SUBJECT AREA (CREDITS REQUIRED)	9 TH GRADE	10 TH GRADE	11 TH GRADE	12 TH GRADE
English / English as a second language (ESL) (4)	English I (ESL I)	English II (ESL II)	English III (ESL III)	English IV (Transition English I)

Total (24)	6	6	6	6
Service Learning Projects (2)	Project #1		Civics Project	
Consumer Education/ Financial Education unit of study	In accordance with Chicago Board of Education Guidelines			
District-Wide Assessment (DWA)	In accordance with Illinois State Board of Education Guidelines			

- Notes:**
- For more information on the Minimum High School Graduation Requirements, please visit: cps.edu/academics/graduation-requirements/.
 - In most cases, 1 credit is equivalent to 1 year in a particular course. However, there are courses in which other than 1 credit may be earned in a particular course. Credits from a previous school may transfer and be applied toward CPS' graduation requirements. If credits are from a school outside of the United States, please call (773) 553-1936 and make an appointment with Beata Arceo for foreign transcript evaluation.
 - The Dual Enrollment program allows eligible students to earn college credit while attending high school. The college credit earned is transferable to many four year colleges or universities.
 - Students enrolled in a Career & Technical Education (CTE) program are recommended to start taking these courses in the 10th grade as many CTE programs are 3 years in length.
